

Dear Parents and Carers,

We are delighted to be able to share with you our new reading provision for our children in Early Years and Key Stage One. The Bug Club website is designed to work alongside your child's home reading books to give access to fun filled activities and texts which are designed engage and inspire reading .

### **What is Bug Club?**

Bug Club is a finely-levelled reading scheme, which ensures that all children can find books at exactly the right level for them through a personalised website for each child.

### **Using the online reading world**

Each child has a unique homepage and can log into it by following these steps:

1. Go to [www.activelearnprimary.co.uk](http://www.activelearnprimary.co.uk)
2. Enter the login details provided by your child's class teacher
3. Your child's homepage will appear.

### **Reading a book online**

We allocate books to your child according to their reading levels. These books will appear in the '**My Stuff**' area of their personal homepages.

Throughout the books there are quiz questions for your child to complete. To answer a question, just click on the bug icon. Your child does not need to finish all the quiz questions in one sitting and can come back to a book later.

When your child has finished all the quiz questions in a book, he or she will earn '**ActiveLearn Coins**'. By reading more books, your child will earn enough coins to 'buy' a reward in one of the many reward schemes. The answers to the quiz questions will be sent back to our teacher site so that we can see how your child is progressing. We will also be able to assign more books for your child to read if the virtual book bag is running low.

When your child has finished a book, it will move to '**My Library**'. Children can read these books again if they want to, or they can choose new books from '**My Stuff**'.

If you have any questions , or would like to know more about our Bug Club provision , please contact your child's class teacher who will be more than happy to help.
