

<p><i>ENGLISH</i></p> <p>We are poets... We read animal poetry looking for rhyming words and patterns. We write our own poems in groups and on our own. We perform them for each other. READ, DISCUSS, COMPOSE AND PERFORM! We write riddles and clues for others to read and guess the animal.</p>	<p><i>RE</i></p> <p>This term we praise... We celebrate; birth, birthdays and weddings.</p> <p>Amphibians are often born in water.</p>	<p><i>GEOGRAPHY</i></p> <p>We are navigators... We learn to use an atlas and a globe to identify the main areas of the world. We find out about the features of the equator and the poles and draw our own maps.</p>	<p><i>MATHS</i></p> <p>We are mathematicians... We investigate making 'lots of' counting groups of objects and finding how many altogether. We explore sharing shapes, objects and quantities into half. We make sure we always have two equal sides or groups. We learn to identify one half.</p>	
<p><i>PSHE</i></p> <p>We are unique characters... We talk about what makes us special. We value and respect each other's differences. We appreciate belonging to different groups and communities.</p>	<p><i>PE</i></p> <p>We are dancers... We explore movement to music. We interpret the music to move like animals and perform our dances to our friends.</p>	<p>Zoom into Zoology</p> 	<p><i>COMPUTING</i></p> <p>We are safety experts... We learn how to use technology safely, protect our privacy and use the internet appropriately.</p> <p>Leopard seals only live in Antarctica.</p>	<p><i>DRACY</i></p> <p>We are communicators... We take it in turns to speak and to listen so that everyone has the opportunity to practise.</p>
<p><i>HISTORY</i></p> <p>We are time hoppers... We look at photos and stories to find out about famous scientists and conservationists.</p> <p>The Equator runs along the middle of the Earth.</p>	<p><i>SCIENCE</i></p> <p>We are biologists.. We learn all about animals and the different kinds including amphibians, mammals, fish, birds and reptiles. We find out about our own bodies and investigate our senses.</p>	<p><i>MUSIC</i></p> <p>We are inventors... We experiment with sound to recreate animal sounds and movement.</p> <p>We have 5 senses; touch, taste, smell, sound and sight.</p>	<p><i>DESIGN AND TECHNOLOGY</i></p> <p>We are chefs... We learn to use tools like knives, graters and presses to help us prepare and taste food. We create a meal based on a simple recipe and serve it in our restaurant.</p>	<p><i>ART AND DESIGN</i></p> <p>We are painters... We use the work of famous artists to inspire us to experiment with line, colour and pattern. We create bold, eye catching paintings.</p>
