

BUZZ BOOKS

In Reception we have a fantastic range of books which we share in school.

In addition to these, we have a special set of 40 books we call 'Buzz Books.' These are stories we want your child to become really familiar with. They will be available for your child to look at in our book corner as well as shared during our 'Super Story' sessions.

Each week your child will bring home one of these books in a special book bag with a comments sheet. Please share these stories with your child and let us know what you think of them. They may bring home the same book several times over the year, particularly if it's a favourite of theirs!
